

School Activities

Introducing the outdoors activities and education to the next generation!

At our location BS311TS Avon Valley Farm

Our cost is £15+vat per person for 1 activity or £20+vat for two activities, Up to 3 activities £30+vat. Activities are minimum 1 hour long per activity. Minimum 8 per group

Activities we provide at our location BS311TS:

Air Rifles (Capacity. 8 shooting at a time, up to 16 per group)

- Our Range Officers will help guide your group to shoot at our targets with precision and accuracy. They will learn about the rifle, safety, and how to adjust their aim to hit the bullseye.

Axe throwing (Capacity 10 at a time, up to 30 per group).

- Using our training tools and learning how to throw in a safe environment

Battle archery (Capacity 45 all in one group)

- Shooting each other with bows and safe arrows in a paintball style game scenario.

Canoeing Trip (Capacity.12 at a time)

- River trip with our qualified instructors, learning about the local wildlife and why we need to look after it. Can also include river cleans as part of the activity.

Kayaking (Capacity.7 per Kayak)

- River trip with our qualified instructors, learning about the local wildlife and why we need to look after it. Can also include river cleans as part of the activity.

Beginner Stand Up Paddleboarding (Capacity.18 at a time with up to 3 instructors)

- Learn how to stand up paddleboard board in a safe environment on the scenic River Avon.

Indoor caving and tunneling (Artificial Caving) (Capacity. 10 at a time (Could possibly have more if we rotate the groups))

- Explore our artificial cave and challenge them in a safe environment. Hunting for items, working as a team.

Safe Archery (Capacity 20 at a time)

- Learning to shoot static targets, learning instinctive archery, and eventually working up to shooting at a moving target.

Target Archery (Capacity 16 max group)

- Learning how to shoot a bow and arrow with ArcheryGB instructors. Helping them become a proficient archer.

Wildlife Quiz (Capacity 12 at a time)

- Learning about wildlife, inspecting skulls, feathers, stick insects, and more.

Historic Experience (Capacity 12 at a time)

- Experience history firsthand with our Historical Experience program. Handle lost treasures and historical artifacts while discovering what the Victorians discarded! Currently, we offer experiences centred around The Romans, The Tudors, The English Civil War, The Georgians, and The Victorians!

Please note, that multiple activities can be run at once to suit numbers e.g. If we have 60 - 90 participants, we could split them up to do Safe archery and Axe throwing, or up to 3 activities: e.g. Air Rifles, Caving, and Axe throwing.

At Our location BA35SD Vobster Quays, Upper Vobster, Radstock

Our cost would be £20+vat per person for 1 activity (Stand Up Paddleboarding fun).

For small groups, the activity will last up to 90 minutes, but realistically, around an hour on the water. For larger groups, the session can last between 2-2.5 hours.

Stand Up Paddleboarding (At our Radstock site for 8 years+ Up to 30 people)

Learning how to paddle and having fun and games on a freshwater lake. Boards, Paddles, PFD's are provided. Wetsuits available, but limited.

Mobile Sessions (One-Off Activity Days Sessions) This is where we turn up for a single large event.

- Mobile events for ONE activity is £600+VAT+Travel
 - Up to 4-5 hours on site
 - (Running time minimum 2 hours with 2 hours setup and pack away time)
- Mobile events for TWO activities is £800+vat+Travel -
 - Up to 5-6 hours on site
 - (Running time, up to 4 hours, with a break. 2 hours setup and pack away time)
- Safe Archery activity is £400+vat+Travel
 - Up to 4-5 hours on site
 - (Running time minimum 2 hours with 2 hours setup and pack away time)

Travel is £0.45p per mile round trip from BS311TS Avon Valley Farm aka UK Active Outdoors Ltd

Details on Mobile events (Age 10 years+) at local schools:

- We can run Battle Archery, Target Archery, Safe Archery, and Axe Throwing. We are looking to grow our Historic experience (a collection of World War items, Roman Items as well as Victorian show and tell) as well as a number of other activities.
- Target Archery we can operate in sports halls (we have a net to catch arrows as long as we are able to put this up?) or, ensure no one can walk behind the archery session (for health and safety reasons).
- We will require the landowner's or school's permission to assess the grounds to ensure we can operate at the location.
- A deposit or preferably full payment is required to secure the booking. (Cancellations and refunds are in our terms and conditions)
- Our Insurance and Risk Assessments are sent to the landowner or schools for their consideration and review (these are kept up-to-date annually).
- Please note that not all of our staff have Enhanced DBS as we have Ad-Hoc, and part-time, seasonal staff, but we do request that a supervising adult, teacher, or an aid be on site and accompanying the children at all times. We are happy if they wish to participate in the activity alongside the children.
- No pictures or videos are taken without the school's consent. We do like taking pictures (free of charge) but we understand some individuals do not want their faces online. We will ask on the day and after the session.

Session's schedule:

It will take us up to an hour to set up. We will get everyone kitted up with safety gear and then move onto the intro and safety briefing. We will run the session, minimum 2 hours. When we finish, this will take us about an hour to pack everything away and we will leave little trace we were there. Overall, we can be on site up to 6-8 hours.

School Outreach Programme

This is where we run activities for your students over a number of weeks at your location, or at our location during the weekdays. We can help with your outdoor activities' requirements.

The school Outreach or enrichment week sessions are tailored to your needs. We can provide a tailored module, lessons or tournaments.

At Our location:

- Our cost would be £15+vat per person per activity,
- Minimum 10 per group,
- 3-4 weeks ongoing program,

We can tailor any on-site activities into a fun educational program

e.g. Caving.

- Week 1: Learn how to cave in a team ensuring you do not leave anyone behind, and exploring the cave, and tunnels in a safe manner.
- Week 2: Locating items in the cave voids and tunnels by working as a team.
- Week 3: Disassembling a large item and transferring them through the caves to be reassembled at the other end.
- Week 4: Cave Rescue

At your location (Mobile event):

- Our cost would be £18+vat per person per activity,
- Minimum 12 per group
- + Travel Fee (£0.45p per mile, round trip from BS311TS Avon Valley Farm).
Each activity would last between 60-90 minutes.

We can provide a limited number of activities in which the students can participate in (usually 3-4 weeks):

- **Axe throwing** (using our training tools (not sharp) and learning about how to throw in a safe environment and see who is number 1), (60 minutes).
 - We teach them how to throw,
 - Score them on hitting the mark,
 - Advance throwing techniques,
 - Distance throwing.
- **Target Archery**, (90 minutes). Our ArcheryGB instructors teaching the participants on how to shoot a bow and arrow safely,
 - Bow setups and identifications
 - Archery techniques and stance
 - Advanced bow techniques (Western and Eastern Style, Olympic Technique, and Instinctive Shooting.)
 - and Distance shooting.
- **Battle Archery** (shooting safe arrows in a paintball style game scenario), (90 minutes)
 - Battle Archery techniques and drills
 - Archery Techniques for faster reloads and instinctive shooting.
 - Tournaments 3v3 team battles
